

# Crys Gorman

Christian Speaker, Cancer Survivor

Crys Gorman is a Bible teacher and speaker who communicates Scripture with insight, warmth, and clarity. Diagnosed with breast cancer at age 36, she speaks with compassion to all women navigating trials or seasons of suffering. Marked by relatable vulnerability, Crys invites women to see how God is faithfully at work—even in pain they never chose—and how hope and purpose can emerge from the hardest battles of life. Her messages are Scripture-anchored, honest, and offer hope without cliché, pointing women to a faith that endures. She's a wife, mom, lover of dogs, travel, and Jesus, and a lifelong overachiever learning to rest in God's grace.
